

# JUNE NEWS ....

## Holiday challenges...

Thank you ..... please keep self portraits coming in—we will be inviting you to look around our art gallery on Thursday 13th June as part of our stay and play day. We will be looking at creatures on the large screen and finding out about them—so please carry on bug hunting too.

## Facebook....

Remember to join our closed parents group to see latest photographs and messages that relate to your children. Please search for 'Childhaven nursery school parents group'

Look out for us in the local newspaper and online! We have also received an official congratulatory letter this week from the shadow education minister which we will display in reception.

## Open afternoon....

**SATURDAY 15th JUNE, 1-4pm (drop in),** including Kathy Seabrook Family music.

Please spread the word. We are opening our doors to new families to come and have a look around nursery—please invite your friends or bring them along!

You might also like to pop in with other members of your family who don't get to come in very often! You can even join in some music together!

**Starting school.....** Letters are now being sent to you from schools inviting children in to visit them. Please remember that we don't get any dates from individual schools. It will be really helpful if you can let Donna know if your school visits clash with any nursery sessions—we are also busy arranging for teachers to come into nursery to visit the children here—most schools do offer this now which really helps with transition. So if you have any holidays planned.....please try to give us notice. Thank you.

**Core books....** We are busy enjoying these books and will be keeping them the same....

See if your chid can tell you what happens in these stories at home....

- 3 Billy Goats Gruff
- Jack and the Beanstalk
- Brown Bear, Brown Bear, What do you See?
- The Very Hungry Caterpillar
- Handa's Surprise
- The Ugly Duckling

**Pram store key.....** Some one has taken it home by accident. Please can you return it to the pot. Thank you.

**Stay and play....** Is back on this half term! On Thursday 13th June you can join a session with your child to see 'a day in the life of'. This is a very valuable experience and gives you lots of insight into your child's everyday experiences. Come and make some lovely memories together! If Thursday is not your day, please pop in too!

## Child Safety week ...

Family life today is more complex than it's ever been and often the very things that help make life convenient bring new risks.

Hair straighteners can get as hot as your iron and can still burn after 15

minutes after they are switched off

Your hot drink can scald a baby 15 minutes after it has been made

Avoid the temptation to look at your phone whilst driving

Remind children not to text or talk on mobiles whilst crossing the road

With so many appliances and devices on charge, make sure not to overload electricity sockets.

**“And at the end  
of the day, your  
feet should be  
dirty, your hair  
messy and your  
eyes sparkling.”**

Shanti

JUMP IN PUDDLES  
DANCE IN THE RAIN  
PLAY IN THE MUD  
DON'T WORRY ABOUT STAINS  
GO BAREFOOT  
WEAR CLOTHES THAT DON'T MATCH  
LAY ON THE GROUND  
ENJOY THE FEEL OF THE GRASS  
LAUGH OUT LOUD  
CATCH A SNOWFLAKE ON YOUR TONGUE  
ENJOY EVERY MOMENT OF BEING YOUNG
