

EARLY YEARS HUB UPDATE

Update.....We are going live!

Welcome to the Early Years Hub for the Scarborough, Whitby and Filey area. Over the course of this school year, we are providing CPD for you and your team if you work with 2 - 4 year olds. Thank you to those settings who have sent in their Early Years Audit!

You have told us that you need CPD related to;

- Early Phonics and reading / provision
- Speech, Language and Communication
- Early Maths / maths in the environment
- Supporting well being and involvement
- In the moment planning
- Supporting children with SEND

In the meantime, get started in our learning community!

Search for 'Scarborough Teaching Alliance Early Years Hub'

facebook 

We are busy putting together a programme of CPD for you and will be back in touch in the new year. We have more from Anna Ephgrave, some exciting maths training and hopefully an appearance from Alistair Bryce-Clegg!
