Childhaven Nursery School (83 on roll) is a unique and special place. Set in the busy town centre of Scarborough, we serve a varied catchment where children from many different walks of life explore, play and learn together.

We are proud to be one of only 3 Maintained Nursery Schools in the whole of North Yorkshire. As a school we are involved in work nationally through the Scarborough Teaching Alliance, and also with other Maintained Nursery Schools across the country as we fly the flag for providing Outstanding Early Years Education. We are the local leader of the Early Years Hub and were designated an outstanding school in 2012, 2015 and 2019.

We celebrate childhood in all its forms and we have a hard working and dedicated team who strive to understand children and put them at the heart of everything that we do. Our staff are long-serving and have mostly dedicated their whole career to this special place. All of our decision-making is based on enabling all children, regardless of need, to have the absolute best possible start in life. We are a forward thinking and fun loving team.

#### **Our opportunity**

As we strengthen our team we are looking to appoint an EYFS specialist to join us as our new EYFS Professional Lead Teacher. This is a part time position over three full days (flexibility on days plus paid PPA time) where you will teach children aged between 2 and 4 years old and be a key person for a group of approximately 15 children.

It is essential that you hold QTS and have recent and relevant experience in Early Years practice.

Our Headteacher is the lead professional for the local Early Years Hub, and this is a great opportunity for a colleague to take on responsibility within the school and work on a variety of projects that should interest them, as well as

gaining management experience in the school when the Headteacher is temporarily off site.

This is a one-year fixed term post initially.

**You will:**

- Be an EYFS colleague who celebrates special moments in childhood like we do and who sees the joy in all children.
- Hold QTS and is able to deliver high quality teaching and learning with a particular focus on language and communication.
- An individual who will truly add value to our school and allow themselves to think outside of the box.
- Be someone who is flexible within their approach to engaging with our wonderful children, seeing life through the eyes of a child.
- Be an individual that can work well on their own, but who knows when to ask for help and seek guidance openly.
- Have a strong interest in supporting children's communication and language development at all levels.

**We can offer you:**

- A warm, happy school where we value everyone and have a philosophy of kindness and support for each other. Our approach is not always conventional but has the impact our children need and deserve
- Happy, enthusiastic and deeply engaged children.
- A school with exciting and attractive learning environments indoors and out.
- A leadership team who welcome fresh ideas, traditional values and a sense of teamwork.
