

<b>Number on roll June 2021</b> 82	<b>Number of EYPP 3 &amp; 4 year olds</b> 21 (38% of all 3 and 4 year olds)	<b>Number of funded 2 year olds</b> 15 (68% of all 2YO)
---------------------------------------	--	--

<b>Predicted income = £3300</b>			
<b>Activity</b>	<b>Rationale</b>	<b>Cost</b>	<b>Evaluation</b>
16 x 0.5 day sessions with musician	Enhanced experience, technical vocabulary and early language development. Steady beat work to support early reading.	<b>£1300</b>	Sessions started and continued online. Effectively engaging some families together. In nursery sessions resumed in March and we were able to extend this into June.
12 x 2 hour sessions (ATA) per term. Nature / gardening group / sensory play group £20 per session x 10	Enhanced experience, technical vocabulary and early language development. Well-being and involvement focus to increase engagement.	<b>£200</b>	Nature club has focused on well-being and involvement of those children. Photobook have been created in nursery for those children to share experiences, which in turn has supported language development. Out and about groups halted due to lockdown but photo album created also. Sensory play groups re-started and have been beneficial to support well-being and involvement.
Bubble Machine / Light show to enhance sensory experiences £ 36.99 / £19.99 =	Creates an all senses experience to maximise involvement and create the wow factor to enable children to show emotions naturally	<b>£56.98</b>	
Additional Music session Xmas x 1		<b>£82</b>	Did not happen (COVID 19)

Replenish and extend sets of core books and factual books to go alongside. Book packs for EYPP children.	Enhanced knowledge of a repertoire of books and knowledge of story structure. Increased interest in books	<b>£300</b>	A significant audit of books has been undertaken and lists are ready to order for the new year. Time in nursery has been hampered by the lockdown and also rotation of staffing. Existing books sets have been reduced in a 'less is more' approach to ensure there is more depth. Children have also had access to known texts after adult modelling which has enhanced the depth of work.
